Innovation Hub ^{x 3}

– start-ups with a focus on business

From 18–20 October 2022, three trade fairs will gather under the same roof; Scanautomatic, ProcessTeknik and Nordic Food Industry. Together they will create a cross-border meeting place where sustainability, digitalisation and automation are the common pillars. Different industries meet here to be inspired and learn from each other, create business opportunities and build the industry of the future.

Innovation Hub x 3

We offer an **Innovation Hub** at each fair where technology start-ups can take part, network with industry peers and showcase their innovations to potential customers and partners!

Want to join in? We run from 18–20 October

Exhibit at the **Innovation Hub** and fair that best suits your profile. Are you interested in appearing at Scanautomatic, ProcessTeknik or Nordic Food Industry?

Book your place by September 16 at the latest.

INVITATION

- A place in the main exhibition area with a standing table, electricity and free wifi
- A great environment for meeting customers, making efficient use of your time at the fair
- An opportunity to make suggestions for the stage programme
- Access to marketing materials

Price per participating company:
SEK 7,500 excluding VAT
